

Family Support Manager

Department:	Care
Job title:	Family Support Manager
Reports to:	Head of Care
Based at:	Care Team Office
Salary:	£26,000

Job Summary

The key purpose of this role is to deliver high-quality family support service within the region, including delivery of emotional, social and practical support, to children & young people with a life threatening or terminal illness and their families.

The post holder will manage the Family Support Team and hold a small case load; and will be a member of the Rainbow Trust Care Managers group, contributing to service development across the organisation.

The Family Support Manager will act as the Registered Manager for the Care Quality Commission for the Rainbow Trust Care team that they manage, and will live the Rainbow Trust Values and effectively communicate with service users, colleagues and healthcare professionals.

Rainbow Trust Children's Charity enables families who have a child with a life-threatening or terminal illness to make the most of time together, providing expert, practical and emotional support, where they need it for as long as it is needed.

Areas of Responsibility

(Specific to role)

- Develop, monitor and deliver service outcomes for the Family Support team in line with Rainbow Trust's business plan
- Recruit, support and manage the family support team (including volunteers, interns and ambassadors)
- Develop and maintain successful professional partnerships to ensure the service is accessible to relevant families and support the delivery of agreed outcomes
- Provide management and leadership to the team in relation to all safeguarding issues
- Work with a range of professionals in health and social care in both statutory and voluntary sectors to raise awareness of Rainbow Trust and our services
- Participate in the RTCC on-call telephone rota offering a 24 hour service to families in crisis
- Monitor and manage agreed team budget
- Develop and maintain local relationships to support fundraising activity for Rainbow's service delivery.

General Responsibilities

Leadership and Strategy

- Operate in compliance with relevant legislation, best practice and corporate policy
- Prepare annual budget and three year business plan for own area of responsibility
- Demonstrate Rainbow Trust's values and model the defined leadership qualities
- Commit to Performance Management Process and develop stretching objectives to meet business plan, taking responsibility for own professional development

Operational and Project Planning

- Develop a regional business plan for the team, to meet agreed service outcomes and align to the Rainbow Trust business plan
- To act as CQC Registered Manager for the team and to ensure compliance with the CQC's essential standards.
- Develop own individual work programme in consultation with line manager to weekly, monthly and quarterly time frames
- Ensure that all appropriate checks, training and risk assessments are carried out to adhere to current Health & Safety regulations
- Develop own individual work programme in consultation with line manager to weekly, monthly and quarterly time frames, organising own time and using initiative

Working with Customers and Service Delivery

- Maintain effective relationships with stakeholders including families, referrers, partners and statutory, private and other voluntary agencies
- Promote and develop best practice within Rainbow Trust and with service delivery partners
- Deal promptly and appropriately with all complaints received adhering to Rainbow Trust's complaints policy.

Developing, Maintaining Systems and Procedures

- Ensure whole team participation to collect and monitor data in support of service delivery and outcomes evaluation activities
- Ensure all monitoring and evaluation data relevant to family support service delivery is stored accurately and promptly in the Care database
- Ensure GDPR compliance
- Report monthly against plan and targets and identify variance
- Ensure compliance with data protection guidelines and Rainbow Trust Policy
- Comply with the telematics policy to ensure safe driving

People Management and Development

- Recruit and retain a high performing staff team to ensure best possible standards of service delivery to meet agreed outcomes
- Recruit and retain high calibre volunteers to support service delivery, including effective supervision, including providing relevant development opportunities
- Provide regular line management supervision to support individual team members within their role
- Within PMP, identify and support individual performance issues
- Coordinate and lead regular team meetings

Team Working and Collaboration

- Lead the implementation of business improvement and people development initiatives including Buddying, PI and SBI processes
- Collaborate with colleagues across the department and organisation
- Proactively participate in team meetings and away days, including the annual staff conference

Special Conditions

- While the role is based at the team office, the post holder will be expected to work flexibly in other venues and attend meetings elsewhere as required
- Flexible working to meet service user requirements may be required
- Some UK travel may be required from time to time
- All staff have a responsibility to maintain an up to date knowledge and awareness of issues around the safeguarding of children, through the completion of the relevant training, at a level commensurate with your role
- All staff must adhere to, Rainbow Trust's safeguarding policies and procedures
- The list of responsibilities outlined above is not intended to be exhaustive and the post holder may be required to carry out other reasonable tasks or responsibilities under the direction of a manager.
