

OPERATIONS MANAGER (FACILITIES/IT & FLEET)

Department:	Finance and Operations
Job title:	Operations Manager
Accountable To	Director of Finance & Operations
Based at:	Head Office
Salary:	Up to £39,000

Rainbow Trust Children's Charity enables families who have a child with a life-threatening or terminal illness to make the most of time together, providing expert, practical and emotional support, where they need it for as long as it is needed. For families living with childhood illness, time is everything.

Job Summary

The Operations Manager (Facilities/IT & Fleet) will be responsible for the overall efficient and effective operations and security of Rainbow Trust's property portfolio, operations contracts, vehicle fleet management and core IT infrastructure. This role will provide key support to the Finance Director and support the development of the IT, Property and Facilities strategies and play a key role in their implementation.

The post holder will be responsible for organising and managing the activities that facilitate the smooth running of all properties and offices, including maintaining and developing office procedures and relocations. They will also manage all relevant third-party contracts and implement improved service delivery where appropriate; as well as manage the leased fleet of vehicles, ensuring correct procedures, policies and best practice are in place.

The Operations Manager (Facilities/IT & Fleet) will have responsibility for the secure and effective operation of the centrally managed IT infrastructure hardware and software; and for managing the central Administration budget.
