Find the alphabet in unusual places!

1. Take a look about your home for the letters of the alphabet in unusual places.
2. They could be hiding in the kitchen, bathroom, outside... try and find 'wild' letters too - ones that have not been printed.
3. Take a photo, or draw your finds in a notebook.
4. Try to find all the letters, and perhaps you could create a collage picture out of your finds!

We would love to see your alphabets - you could spell out RAINBOW TRUST and share with us on social media!
