SUPPORTING FAMILIES
WITH A SERIOUSLY ILL CHILD

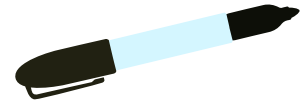

You will need:

Large pebbles/stones

red paint
(non water based is best)

marker pen

Spread a little love

1. Get your rocks or pebbles and give them a good clean and dry.
2. Dip your finger into the red paint, and print 2 fingerprints onto the rock in a 'v' shape.
3. When dry, draw on some features with a market pen.
4. Give to a loved one, or try putting them outside for others to see on their walks.
