

MARBLE RUN

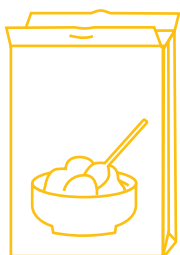

RAINBOW TRUST

SUPPORTING FAMILIES
WITH A SERIOUSLY ILL CHILD

You will need:

toilet
roll tube
(4-5)

empty
cereal box

scissors

tape

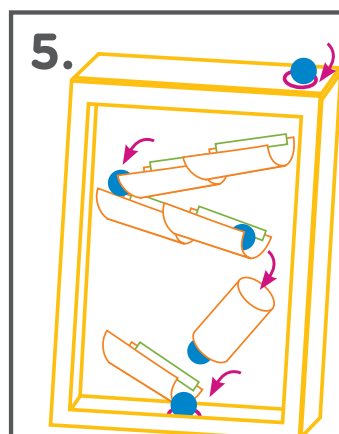

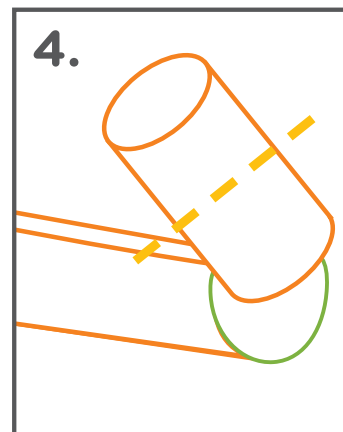

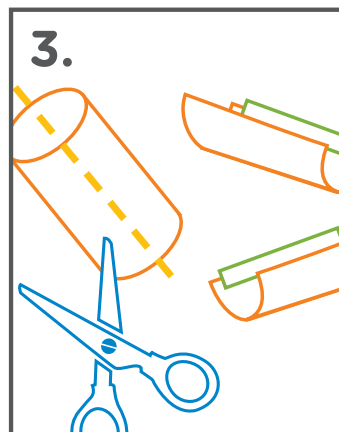

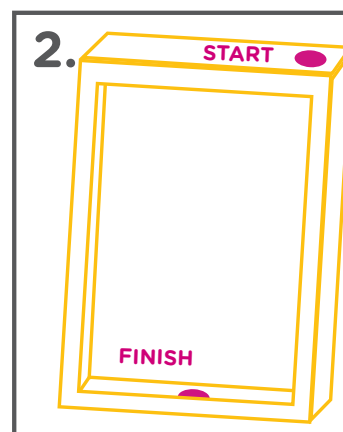

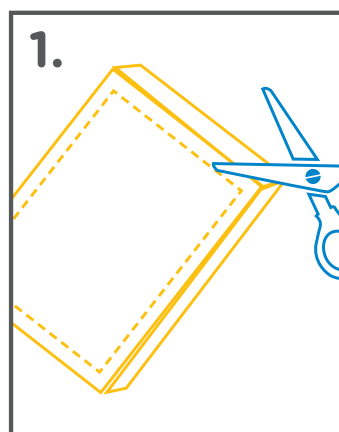

marbles or
round beads

pens, glue,
scrap paper

Get creative and recycle by making a fun marble run!

1. Cut the front off the cereal box, and secure the top with tape to make a tray (keep the off-cut).
2. Cut a hole in the top and bottom of the tray for the start and finish of the run (make sure it is big enough for the marble to fit into).
3. Cut 1 toilet roll tube in half length ways to create 'gutter' and tape it in place.
4. Use the rest of the tubes to make the run however you like. You could make more gutters, tunnels, drops, holes - use the cut out card from the cereal box to add features.
5. Test your run as you create - making sure the marble doesn't get stuck or fall out.
6. Customise your marble run - get creative with stickers, collage or doodles.
