

# MEMORY GAME

**RAINBOW TRUST**

SUPPORTING FAMILIES WITH A SERIOUSLY ILL CHILD

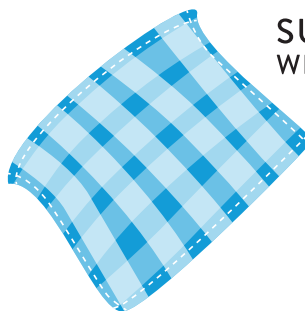

You will need:

Tray or plate

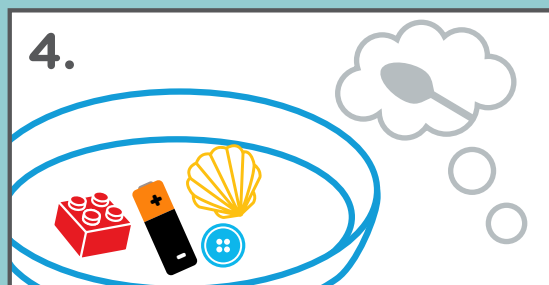

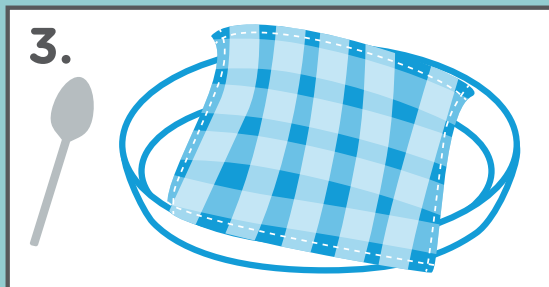

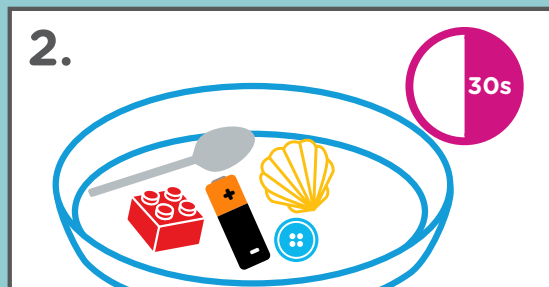

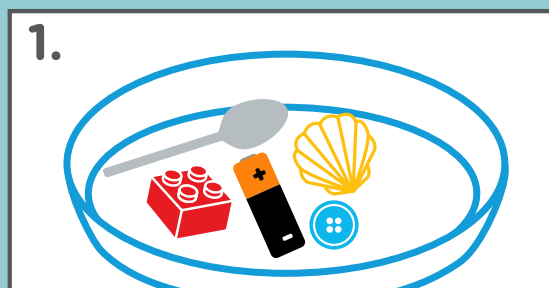

5 small items

Tea towel

Create a game for all ages from items around the home.

1. Gather five different items that can fit onto a plate or tray.
2. Player 1 has 30 seconds to view the items.
3. Player 2 covers the plate with the tea towel and secretly removes 1 item.
4. Remove the tea towel, and player 1 has to remember what is missing.
5. Adapt the game for all ages - adding more items to make the game harder.
