

PAINTED COLLAGE

RAINBOW TRUST

SUPPORTING FAMILIES WITH A SERIOUSLY ILL CHILD

You will need:

Make a mess, then turn it into something beautiful!

1. Use your paints and crayons to cover whole pieces of paper with colour - scribbles, patterns, hand prints - whatever you or your kids enjoy!
2. Let your creations dry.
3. Cut out shapes from your pages - circles, ovals, squares or even simple object shapes.
4. Arrange your shapes and glue onto a new piece of paper - try creating a scene, or keep abstract for a kid friendly project.

Please do share your creations with us by tagging @rainbowtrustcc on social media.
