

MAKE A PAPER TULIP CARD

Create a paper tulip flower. Try making several with different papers/old magazines to create a colourful garden scene.

scissors

colouring pens and glue

You will need:

bright paper or cut out pages from magazines

1. Cut out a square of paper 12cm x 12cm.
2. Fold into a triangle.
3. Fold the corners up to the top - so that you can see the 3 spikes.
4. Turn over and fold in the corners at the sides and bottom.
5. Attach to a card and draw the stem and leaves.
