WITH A SERIOUSLY ILL CHILD

You will need:

Collect some twigs and sticks on your outdoor adventures and make some frame worthy art when you get home!

1. Gather twigs of various sizes.
2. Clean them off and arrange in order of size.
3. Paint the sticks the different colours of the rainbow.
4. Arrange onto paper and glue down in a rainbow formation.
5. Title and date your artwork, and display - something to remember this moment in time.
