WOVEN PLACEMATS

You will need:

2-3 pieces of A4 or A3 paper · **Paints or crayons** · **Ruler** · **Scissors** · **Glue**
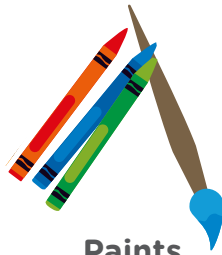

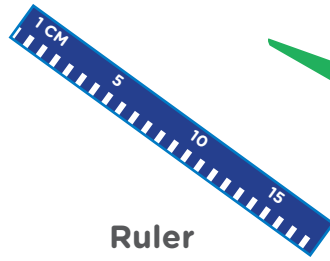

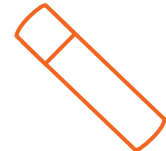

Make your own placemat by weaving bright paper.

1. Draw a 2cm border around the edge of a piece of paper.

**2.** Fold the piece of paper in half, and cut long slits making sure to stop cutting before the edge.

3. Decorate another piece of paper with bright colours or patterns.

4. Cut into strips.

5. Weave in and out of slots - over and under, alternating with each strip.

6. Fold the ends over and glue to secure.
